Who We Are

Our mission, values, and experience

- **We are an AI driven lead scraping business to help grow service based companies with more lead flow without relying on marketing or facebook ads.**

We work with over 290+ service based companies all over the UK & USA.

Our job is to take the stress off your plate, give you back your time, and set you up to run like a real business.

Our Services

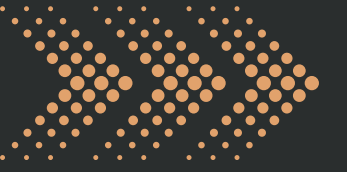

How we generate consistent lead flow

At LeadGen service, we only work with service based businesses like roofers, carpenters, general contractors, and **ANYTHING** related to providing service to a client.

So, what do we do?

- We help you get more customers using AI and with our team.
- We boost your current lead flow, making sure more people are interested in your service.
- On top of that, we make it 100% hands free for you to focus on front end work while we focus on getting those leads.

How We Work

Simple step-by-step breakdown

Its super simple

So, HOW do we do this?

- **We get our Ai tool to scrape leads from google in your area.**
- **These leads are people who have looked for x service in 30-90 days.**
- **We would send you a the leads in the area you currently work in.**

No ads.

No Facebook.

No complicated setup.

What Happens Next?

Assessment

We offer every new signup a 7-day free trial plus 3 leads delivered within the first hour of signing up.

Strategy Development

Before we go live, we'll need a bit more information about your company and the services you provide.

This ensures that when we start connecting you with leads, they're real prospects from your local area.

Immediate Lead Delivery

Once we have the details about your business, we're incredibly easy to work with.

It takes us less than an hour to start sending you local leads and you won't spend a single dollar on ads or Facebook marketing.

Why Choose LeadGen Service

A clear comparison of outcomes

WITHOUT US

Without our service, businesses face **no consistent leads** and miss out on automation opportunities. This results in a significant loss of potential revenue as leads slip through the cracks, hindering growth and limiting success.

WITH US

With LeadGen Service, enjoy **15–25 leads per month** through our AI-powered system. This means predictable engagement opportunities, allowing businesses to focus on operational efficiency and client satisfaction without the hassle of traditional lead generation. Sending leads with **ZERO** buffer times
